BLOG - casting.benetton.com/blog

A new entry in the international group of the It's My Time bloggers.

The blogger from Beijing who manages Stylites.net will put China on line for the rest of the world through It's My Time. His first post is "10 trends for 2010 and Beyond" (<http://casting.benetton.com/blog/trends-2010>), a portrait of behaviours, customs, ambitions and styles of China's new generations.

It runs alongside contents from all over the world.
